How to Address
Higher Order Concerns and
Lower Order Concerns

Higher Order Concerns

1st
- Always address these first
- Walk away from the document for a while to gain a fresh perspective
- Read through the document with these concerns in mind
- Use heuristics to review document
- Consider feedback from other readers
- Make sure it follows the assignment

Lower Order Concerns

2nd
- Address these after higher order concerns are resolved
- Use a printed copy for a detailed review
- Read the document aloud
- Spell / grammar check
- Have someone else read
- Focus on only 1-3 things at a time; don’t try to tackle all changes in one session
